

Safety Protocols for Guests & Staff Safety

Thorough Sanitization & Disinfection process with approved chemicals & disinfectants.

Paperless check in. We aim to do all of the documentation before arrival digitally.

Temperature check of all guests & staff daily.

Strict maintenance of up to 6 feet social distancing at all times between staff-guests.

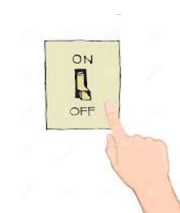

Compulsory Registration of all guests on the AROGYU SETU app.

Complimentary COVID-19 Safety Kit for all guests during their stay.

All baggage or items being brought to the property will be sanitized by staff on entry.

Disinfection of high touch points daily.

Safety Protocols for Guests & Staff Safety

Dedicated sanitization stations at various locations.

All essential supplies (food, drinks) can be shopped & sanitized by our teams before your arrival.

We avoid housekeeping in rooms during our guests stay unless permitted. All change overs, towels, dustbins etc will be catered to outside the rooms.

Regular Staff Training on Social Distancing, Safety Protocols & Housekeeping.

Cutlery & Crockery is treated with boiling water besides washing with detergents.
